Rate Reduction Disclosure

Country Bank offers a 0.250 percentage point discount on certain Consumer Loans if the monthly payment is deducted from a Country Bank checking or statement savings account.

If the automatic deduction is terminated for any reason, the interest rate will increase by 0.250 percentage points for the remainder of the term, resulting in an increase in your monthly payment. If this happens, the monthly payment will be recalculated based on the outstanding balance, remaining term and increased interest rate.

Reasons for termination can include:

- Authorization is revoked by the Bank or the Customer(s)
- The deposit account is closed by the Bank or the Customer(s)
- There are insufficient funds in the deposit account for a total of three (3) payments over the term of the loan

You are not required to complete this agreement merely because you have received these disclosures or signed a loan application.

How We Will Calculate Your Balance: We calculate the interest charge on your account by applying the periodic rate to the “daily balance” of your account for each day in the billing cycle. To get the “daily balance” we take the beginning balance of your account each day, add any new advances or fee, and subtract any payments or credits. This calculates the daily balance.

Billing Rights: Information on your rights to dispute transactions and how to exercise those rights is provided in your account agreement.
